TASK HOT OSM НЭВТРЭХ

1. <https://tasks.hotosm.org/> нэвтэрнэ үү

The screenshot shows the homepage of the tasks.hotosm.org website. At the top, there is a navigation bar with links for 'Apps', 'Gmail', 'YouTube', and 'Maps'. Below the navigation bar, the text 'Mapping our world together' is displayed. On the right side of the header, there are links for 'hotosm.org' (with a red box around it), 'Log in' (with a red box around it), and 'Sign up'. The main content area features a large aerial photograph of a rural area with houses and a dirt road. Overlaid on the image is the text 'MAP FOR PEOPLE IN NEED' in large white letters. Below this, a call-to-action text reads: 'Join a global community putting the world's most vulnerable people and places on the map to support humanitarian aid and sustainable development.' There are two buttons at the bottom left: a red 'Start mapping' button and a white 'Join the community' button.

2. Log in дээр дарна уу

The screenshot shows a web browser window with the URL tasks.hotosm.org. The page features a top navigation bar with links for Apps, Gmail, YouTube, and Maps. Below this is a header with the text "Mapping our world together" and the hotosm.org logo. The main content area has a background image of an aerial view of a rural area with houses and trees. Overlaid on this image is a large red banner with the text "MAP FOR PEOPLE IN NEED". To the left of the banner is a red button labeled "Start mapping" and a white button labeled "Join the community". At the top right of the page, there are language selection ("English") and user account buttons ("Log in" and "Sign up"). The "Log in" button is highlighted with a red box.

The screenshot shows the OpenStreetMap editor interface. At the top left is the 'OpenStreetMap' logo with a magnifying glass icon. To its right are three buttons: 'Edit' (highlighted in green), 'History', and 'Export'. Below these are two more buttons: 'Select feature type' and a dropdown menu with a house icon and a right-pointing arrow. The dropdown menu lists four categories: 'Land Use Features...', 'Building Features...', 'Water Features...', and 'Natural Features...'. A blue speech bubble points to the 'Building Features...' option with the text '4. БАРИЛГЫН ТӨРЛИЙГ СОНГОНО'. On the right side of the screen is a satellite map of a rural area. A red outline highlights a specific building. Three blue speech bubbles point to different parts of the map: 1. Top right: '1. БАЙШИН БАРИЛГЫГ ЗУРАХДАА AREA СОНГОНО' (pointing to the building's footprint). 2. Middle right: '2. БАЙШИН БАРИЛГЫГ ХЭЛБЭРИЙН ДАГУУ ЗУРНА' (pointing to the building's footprint). 3. Center: '3. The screenshot shows a software interface for managing building objects. At the top left is a small icon of a house with a red outline and a dashed red border around it. To the right of the icon is the word "House". Below the icon is a blue button labeled "Zoom to this". Underneath the house icon is a section titled "All fields" with a blue downward arrow. The interface contains several input fields:

- Name**: A field containing "Common name (if any)" with a dropdown arrow and a plus sign (+).
- Levels**: A field containing "2, 4, 6..." with a dropdown arrow and a plus sign (+).
- Height (Meters)**: A field containing "Unknown" with a dropdown arrow and a plus sign (+).
